

# Transportation Funding Opportunities for Communities

**OKLAHOMA**  
**Transportation**

**OKLAHOMA**  
**Transportation**

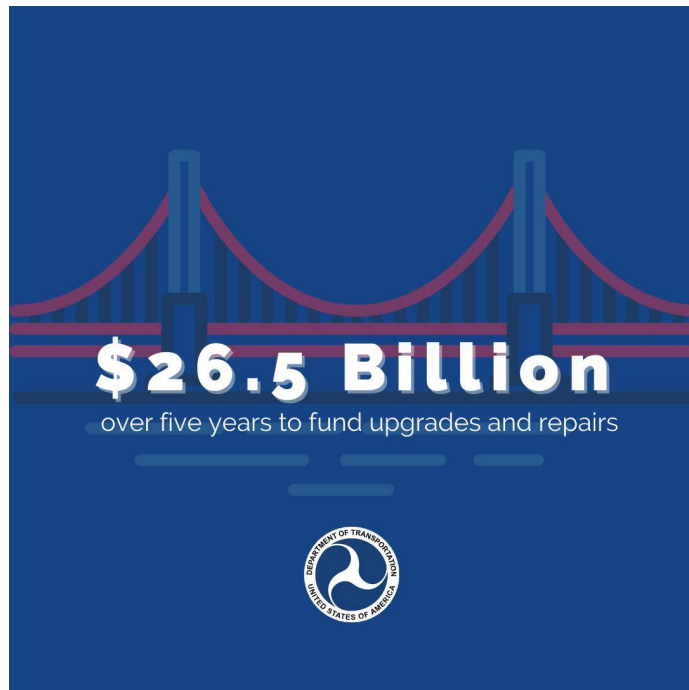

# Local Government Division

- Bridge Formula Program – SD City Bridges & Scour Mitigation
- Municipal Road Drilling Activity Fund (MRDAF)
- TAP – Transportation Alternatives Program
- Access Roads – Industrial and Lake Access
- ER – Emergency Relief Program

<https://oklahoma.gov/odot.html>

# Bridge Formula Program – SD City Bridges & Scour Mitigation

- Nearly \$57.6M per year for Oklahoma
- Minimum of 15% to off-system

# ODOT's plan for off-system bridges:

- \$15M per year for scour mitigation (city & county)
- \$10M per year for city bridges
- \$3M per year for engineering

ODOT will invest **\$140M** on off-system bridges over the next 5 years

# Requirements for consideration:

- Must be structurally deficient
- Must be within city limits
- Must be 20' in length and have an NBI number

# Notice of Interest

- Not a guarantee of funding
- Considerations
  - Is it load posted?
  - Is it a bus route
  - ADT
  - Population

# Municipal Road Drilling Activity Fund (MRDAF)

- Financial assistance to repair roads damaged by oilfield activities
- \$5M per year
- Population under 15,000
- 75/25 cost share (in-kind contribution not allowed)
- Applications open through Sept. 30

# Application

- Contact information
- Population at 2020 census
- Road name & length of repair (ex.- Main St. 0.25 miles from 1<sup>st</sup> to 4<sup>th</sup>)
- ADT (average daily traffic), if known
- Is the road a designated truck/heavy traffic route?
- Estimated cost
- Map of oil activity within 5 miles
- Signed resolution

## State Fiscal Year 2023 Awarded:

- ❖ All \$5M available funds
- ❖ Will repair 16.67 miles of roadway
- ❖ Awarded 19 projects to 15 communities

# Transportation Alternative Program (TAP) Funded provided through the IJA Bill - Competitive Application Process

**\$52 million in projects were awarded funding in 2022**

## Safety Components of TAP

- ADA compliant sidewalks and trails
- Bicycle infrastructure
- Pedestrian and bicycle signals
- Traffic calming techniques
- Streetscapes or Enhancements
- Lighting and other safety related infrastructure

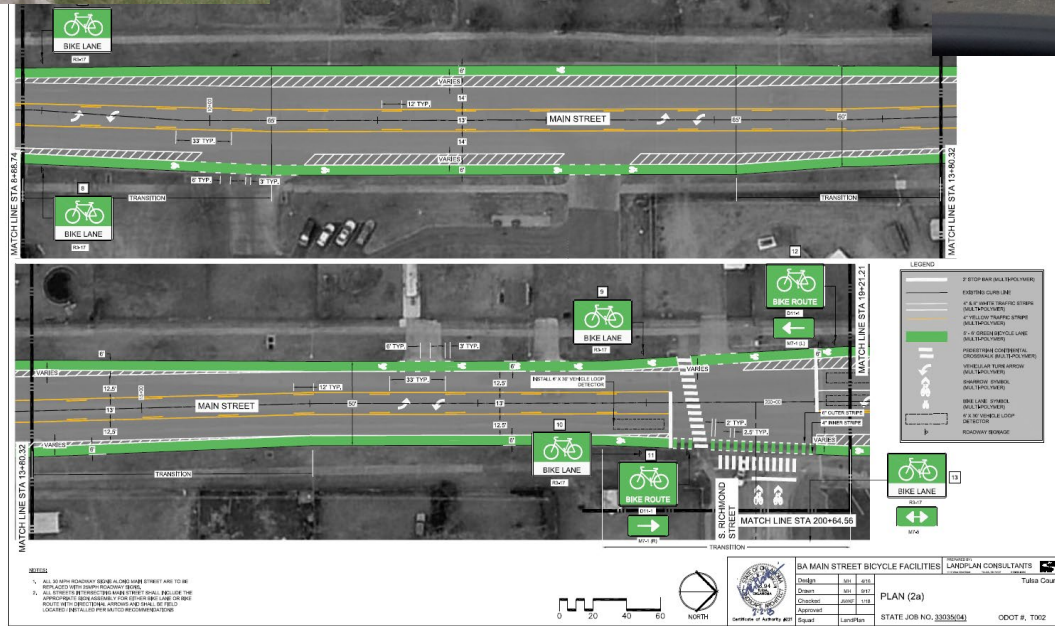

# TAP PROCESS PRIOR TO AWARD

- TAP Projects are Awarded Through a Competitive Application Process
  - Current funding (fully allocated) is provided by the IIJA Bill.
  - During the application process, ODOT Local Government staff provides technical assistance and guidance
  - Applications are completed on-line
  - Application scoring criteria is provided in the Implementation Manual
  - Applications are scored by committee and recommended for award to the ODOT Senior Leadership and Transportation Commission
  - Transportation Commission awards projects at ODOT Commission Meeting

# Community Pride – Downtown Revitalization – Safe Routes to Schools – Pedestrian Safety

## Sponsor Responsibilities

- Right of Way Acquisition
- Utility Relocation
- Matching Funds
- Maintenance of Facility

## ODOT Responsibilities

- Design Contract Management
- ODOT Bid Letting
- Environmental Clearance
- Construction Inspection
- Final Inspection and Audit

# HOW TO BE PREPARED FOR THE NEXT ROUND(Early 2024)

- Create a plan
- Walking audit/walkability study
- Start coming up with a project description
- Design estimate (based on most current cost estimates)
- Build community support/Involve the public

**OKLAHOMA**  
Transportation

# Access Roads – Industrial and Lake Access

- Purpose is to provide public access to lakes and recreation areas and industrial areas
- State funds
- Available to municipalities and counties
- Resurfacing only
- Work done at the local level

# Emergency Relief Program

- ✓ Must be a minimum of \$700,000 (federal share) in damage from event
- ✓ Provides assistance for emergency and permanent repairs
- ✓ Damage must be on a major collector road or higher
- ✓ Make sure damage is thoroughly documented before and after repairs are made

\*If you have damage from an event, please contact Melissa Davis and/or your local ODOT field district\*
