Sponsors are able to provide members with the necessary resources to support the effective functioning of their sewer systems.

2024 Sanitary Sewer Expo

Why sponsor, or participate:

The annual sewer expo brings together municipalities from across the state. You will have the opportunity to connect with various decision-makers and be able to showcase your products and how they will be able to assist with their processes.

Who attends:

Every year, the attendance at this event has seen a steady rise, reaching over 200 registered participants in the previous year. This gathering attracts a diverse audience, including field workers, Public Works Directors, Town Administrators, and City Managers. All attendees share a common goal, of optimizing their systems' operation. The event serves as a platform for exchanging ideas and knowledge. Given the broad spectrum of sewer professionals present, your participation would undoubtedly be beneficial, as there is someone with whom your insights, experience and products would be beneficial.

Expo Registration:

Register online at <https://omagevents.org/sewer-expo> To ensure exhibit space, make sure to submit registration and payment by no later than July 19, 2024.
